

ACKNOWLEDGEMENTS

I would like to register my sincere appreciation to my supervisor Mr. M.M Chiinze who worked tirelessly during a period which was most difficult for students and tutors (the Covid era) to assist and guide me in the most fatherly, friendly and warm manner that encouraged me to press on. This assistance was invaluable. Thank you so much. I would like to also thank a sister and friend Mrs. Sharon Ndanda for sharing some of her valuable information in line with my studies which really encouraged to continue pursuing the studies. I also want to thank the heads and staff as well as the children at Sakubva and Chikanga Primary Schools and Nzeve Deaf Children's Centre for their full participation which enabled the project to be a success.
